

**Geraldton Shed Construction
Lease 27, Geraldton Port Authority**

To Whom It May Concern

12/11/10

Great Northern Construction has satisfactorily completed the civil works under contract to Highline for Jabiru's Concentrate Storage Facility at lease 27, Geraldton Port.

The work consisted of the footings, slab and tilt panel retaining walls was finished to a high degree of accuracy and within the time frame.

GNC executed their contract with no OH&S issues and all technical issues were resolved in a timely and professional manner. Their plant and equipment is relatively new and well maintained and presented.

I would engage GNC for future work and recommend them as a reliable and professional company.

A handwritten signature in black ink, appearing to be "BH", is located above the typed name.
